

Completed assembly view

- Minimum interior volume: 200x140x60mm for power supply + required spacing
- Required dimensions included on drawings, minimums marked MIN
- All other dimensions/positions can be varied
- Outer miter joints to be connected with contrasting splines/keys as shown below
- Finished size approx 10" x 7" x 4" (based on 1/2" thick wood, can be modified as necessary)
- Base, sides, front, back to be permanently fixed
- Top to be removable (interference fit with dowels fixed at corners of interior for vertical spacing?)
- Prefer lighter-color hardwood with visible grain
